Procedures for Electronic Case Filing

Procedures for Electronic Case Filing

The Court will accept for filing documents submitted, signed or verified by electronic means that comply with the following procedures.

1. Scope of Electronic Filing

(a) The Court will designate which cases will be assigned to the Electronic Filing System. Except as expressly provided and in exceptional circumstances preventing a Filing User from filing electronically, all petitions, motions, memoranda of law, or other pleadings and documents required to be filed with the Court in a case assigned to the Electronic Filing System must be filed electronically. A paper may be filed electronically (i) from a remote location, (ii) by bringing it to the Clerk's office during regular business hours, in a form or electronic format prescribed by the Clerk, for input into the System, or (iii) where permitted by the Court, by bringing the paper to the Clerk's office during regular business hours to be scanned into the System.

(b) Unless limited by their terms to civil cases, the provisions of these procedures relating to electronic filing apply in criminal cases that are initiated by the filing of an indictment or information. Electronic filing procedures shall not apply to applications for arrest, search or electronic surveillance warrants; for other orders in aid of or ancillary to a criminal investigation; or to proceedings relating to the grand jury.

(c) Electronic filing procedures shall not apply to Social Security Cases.

(d) The filing and service of the initial papers in a civil case, including the complaint, the issuance of the summons and the proof of service of the summons and complaint, as well as service of non-party subpoenas, will be accomplished in the traditional manner on paper in accordance with the Federal Rules of Civil Procedure and applicable Local Rules governing service, rather than electronically. In a criminal case, the indictment or information, including any superseders, shall also be filed and given to the defendant in the traditional manner on paper in accordance with the Federal Rules of Criminal Procedure and applicable Local Rules rather than electronically; in addition, service of subpoenas shall be made in the traditional manner on paper in accordance with the Federal Rules of Criminal Procedure and applicable Local Rules. In a case assigned to the Electronic Filing System after it has been opened, parties must promptly provide the Clerk with electronic copies of all documents previously provided in paper form. All subsequent documents must be filed electronically except as provided in these procedures or as ordered by the Court.

2. Eligibility, Registration, Passwords

(a) Attorneys admitted to the bar of this Court, including those admitted pro hac vice and attorneys authorized to represent the United States, may register and may be required to register as Filing Users of the Court's Electronic Filing System. Unless excused by the Court, attorneys not already Filing Users appearing in cases assigned to the Electronic Filing System must register as Filing Users forthwith upon the case being so designated. Registration is in a form prescribed by the Clerk and requires the Filing User's name, address, telephone number, Internet e-mail address, and

a declaration that the attorney is admitted to the bar of this Court or authorized to represent the United States.

(b) If the Court permits or requires, a party to a pending civil action who is not represented by an attorney may register as a Filing User in the Electronic Filing System solely for purposes of the action. Registration is in a form prescribed by the Clerk and requires identification of the action as well as the name, address, telephone number and Internet e-mail address of the party. If, during the course of the proceeding, the party retains an attorney who appears on the party's behalf, the attorney must advise the Clerk to terminate the party's registration as a Filing User upon the attorney's appearance.

(c) Once registration is completed, the Filing User will receive notification of the user log-in and password. Filing Users agree to protect the security of their passwords and immediately notify the Clerk if they learn that their password has been compromised. Users may be subject to sanctions for failure to comply with this provision.

(d) In a civil action, the Clerk will enter, as Filing Users to whom Notices of Electronic Filing will be transmitted, (i) each attorney identified on the Civil Cover Sheet, as well as (ii) each additional attorney who subsequently appears in the action and files a Request for Electronic Notification (which may be filed electronically). In a criminal case, the Clerk will enter, as Filing Users to whom Notices of Electronic Filing will be transmitted and who will be granted access to electronically file and retrieve documents in the case, the attorney(s) for the United States identified on the Criminal Designation Form or subsequently identified as representing the United States in the case and each attorney filing a Notice of Appearance on behalf of a defendant. Notices of Appearance on behalf of a criminal defendant will be filed in the traditional manner on paper.

(e) An attorney of record may, by written or electronic request to the Clerk, have transmission of Notices of Electronic Filing to another attorney in his or her firm terminated.

3. Consequences of Electronic Filing

(a) Except as otherwise provided in Procedure 4 herein, electronic filing of a document in the Electronic Filing System consistent with these procedures, together with the transmission of a Notice of Electronic Filing from the Court, constitutes filing of the document for all purposes of the Federal Rules of Civil Procedure, the Federal Rules of Criminal Procedure, and the Local Rules of this Court and constitutes entry of the document on the docket kept by the Clerk under Fed.R.Civ.P. 58 and 79 and Fed.R.Crim.P. 49 and 55.

(b) When a document has been filed electronically, the official record is the electronic recording of the document as stored by the Court (subject to the exception set out in Procedure 4 below), and the filing party is bound by the document as filed. Except in the case of documents first filed in paper form and subsequently submitted electronically under Procedure 1, a document filed electronically is deemed filed at the date and time stated on the Notice of Electronic Filing from the Court.

(c) Filing a document electronically does not alter the filing deadline for that document. Filing must be completed before midnight local time where the Court is located in order to be considered timely filed that day.

(d) Individual judges' practices should continue to be followed with respect to delivery of courtesy copies.

4. Entry of Court Orders

(a) All orders, decrees, judgments, and proceedings of the Court will be filed in accordance with these procedures and entered on the docket kept by the Clerk under Fed.R.Civ.P. 58 and 79 and Fed.R.Crim.P. 49 and 55. Each document signed by a judge shall be scanned so as to contain an image of the judge's signature and shall be filed electronically by the Court, and the manually signed original shall be filed by the Clerk of the Court. In the event of a discrepancy between the electronically filed copy and the manually signed original, the manually signed original shall control.

(b) A Filing User submitting a document electronically that requires a judge's signature must promptly deliver the document in such other form as the Court requires, if any.

5. Attachments and Exhibits

Filing Users must submit in electronic form all documents referenced as exhibits or attachments, unless the Court permits paper filing. A Filing User must submit as exhibits or attachments only those excerpts of the referenced documents that are relevant to the matter under consideration by the Court. Excerpted material must be clearly and prominently identified as such. Filing Users who file excerpts of documents as exhibits or attachments under this procedure do so without prejudice to their right to file timely additional excerpts or the complete document. Responding parties may file timely additional excerpts that they believe are relevant or the complete document. A party may move for permission to serve and file in hard copy documents that cannot reasonably be scanned. In cases where the record of an administrative or other prior proceeding must be filed with the Court, such record may be served and filed in hard copy without prior motion and order of the Court.

6. Sealed Documents

Documents ordered to be placed under seal may not be filed electronically unless specifically authorized by the Court. A motion to file documents under seal should be filed electronically unless prohibited by law; however, a motion to file under seal that includes a statement of why the filing should not be made electronically may be made in paper copy. The order of the Court authorizing the filing of documents under seal may be filed electronically unless prohibited by law. A paper copy of the order must be attached to the documents under seal and be delivered to the Clerk.

7. Retention Requirements

Documents that are electronically filed and require original signatures other than that of the Filing User must be maintained in paper form by the Filing User until one year after all time periods for appeals expire, except that affidavits, declarations and proofs of service must be maintained in

paper form by the Filing User until five years after all time periods for appeals expire. On request of the Court, the Filing User must provide original documents for review.

8. Signatures

(a) The user log-in and password required to submit documents to the Electronic Filing System serve as the Filing User's signature on all electronic documents filed with the Court. They also serve as a signature for purposes of the Federal Rules of Civil Procedure, including Rule 11, the Federal Rules of Criminal Procedure, the Local Rules of this Court, and any other purpose for which a signature is required in connection with proceedings before the Court. Each document filed electronically must indicate that it has been electronically filed. Electronically filed documents must include a signature block and must set forth the name, address, telephone number and (except in criminal cases) the attorney number, all in compliance with Local Civil Rule 11.1. In addition, the name of the Filing User under whose log-in and password the document is submitted must be preceded by an "s/" typed in the space where the signature would otherwise appear.

(b) No Filing User or other person may knowingly permit or cause to permit a Filing User's password to be used by anyone other than an authorized agent of the Filing User.

(c) A document requiring the signature of a defendant in a criminal case may be electronically filed only in a scanned format that contains an image of the defendant's signature.

(d) Documents requiring signatures of more than one party must be electronically filed either by: (1) submitting a scanned document containing all necessary signatures; (2) representing the consent of the other parties on the document; (3) identifying on the document the parties whose signatures are required and by the submission of a notice of endorsement by the other parties no later than three business days after filing; or (4) in any other manner approved by the Court.

9. Service of Documents by Electronic Means

Transmission of the Clerk's Notice of Electronic Filing of a document shall constitute service of such document upon any Filing User in that case. It remains the duty of the attorney for a party to review regularly the docket sheet of the case. Attorneys and pro se parties who are not Filing Users shall be served with a paper copy of any electronically filed pleading or other document. Service of such paper copy must be made according to the Federal Rules of Civil Procedure, the Federal Rules of Criminal Procedure and the Local Rules.

10. Notice of Court Orders and Judgments

Immediately upon the entry of an order or judgment in a proceeding assigned to the Electronic Filing System, the Clerk will transmit to Filing Users in the case, in electronic form, a Notice of Electronic Filing. Electronic transmission of the Notice of Electronic Filing constitutes the notice required by Fed.R.Crim.P. 49(c) and Fed.R.Civ.P. 77(d). **It remains the duty of the attorney for a party to review regularly the docket sheet of the case.** The Clerk must give notice in paper form to a person who is not a Filing User in accordance with the Federal Rules of Civil Procedure or the Federal Rules of Criminal Procedure.

11. Technical Failures

A Filing User whose filing is made untimely as the result of a technical failure may seek appropriate relief from the Court.

12. Public Access

A person may review at the Clerk's office filings that have not been sealed by the Court. A person also may access the Electronic Filing System at the Court's Internet site www.nysd.uscourts.gov by obtaining a PACER log-in and password. A person who has PACER access may retrieve docket sheets in civil and criminal cases and documents in a civil case, but only counsel for the government and for a defendant may retrieve documents in a criminal case. Only a Filing User under Procedure 2 herein may file documents.
